But a <u>copayment</u> or <u>coinsurance</u> may apply for some services even if you did not meet the <u>deductible</u> amount. You can access a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services? If you have other family members in this <u>plan</u> , they must meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. The <u>Prescription drug plan</u> has a separate <u>out-of-pocket limit</u> . Prescription Drugs Plan is managed by EmpiRx.
What is not included in the out- of-pocket limit?	Spousal Premiums, balance billing, penalty fees and healthcare not covered by this plan	These types of expenses, while considered out of pocket, do not count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. For network providers go to www.whyuhc.com/uhss or call Fund Office 1-800-227-4744 or 860-728-1100	Services provided by an <u>out-of-network provider</u> are not covered by this <u>plan</u> . Always check to see if your provider is in the UnitedHealthcare services network including any other providers and/or lab facilities you are referred to for services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a referral if they are in the network. Otherwise, you will pay out of pocket for any expenses incurred by an <u>out-of-network provider</u> .
